

JIA XINYU

+65 8067 7113 | SharonChia0420@outlook.com | Class of 2027

EDUCATION

Nanyang Technological University (NTU), Singapore

Aug 2026 – Jun 2027

M.Sc. in Project Management

Nanjing University of Aeronautics and Astronautics, China

Sep 2020 – Jul 2024

B.A. in Public Service Management

PROFESSIONAL EXPERIENCE

China Eastern Airlines | Corporate Headquarters

Aug 2024 – Oct 2025

Business Operations — AI Business Optimization

- **Project Coordination:** Screened and standardized business materials for AI/LLM training; worked with IT to align business needs, technical requirements, and compliance standards.
- **Process Optimization:** Analyzed business data, user interviews, process audits, and system usage to identify bottlenecks; translated findings into system requirements and supported rollout, cutting cross-functional information transfer time by 40%.
- **Business Reporting:** Consolidated operational data across subsidiaries and produced weekly and monthly management reports; tracked anomalies and business trends to support performance reviews and planning.

L'Oréal | YSL Beauty, Luxury Beauty

Jun 2023 – Oct 2023

CRM Marketing Intern

- **CRM Strategy:** Built CRM programs for 595K+ members based on customer journeys, loyalty tiers, and purchase behavior, increasing weekly engagement by 56% and YoY conversion by 144%.
- **Loyalty Benefits:** Designed benefits across acquisition, first purchase, repurchase, and retention; ran segmented campaigns contributing to 23% customer growth, 8% new-customer growth, and RMB 154 higher AOV.
- **Points & Rewards:** Revamped points redemption with new rewards and vouchers, achieving 55K+ premium reward redemptions per month.
- **VIP Events:** Managed YSL Beauty's flagship member event from concept and budgeting through execution, engaging 2,425+ members and generating RMB 450K+ in sales and 20M+ impressions.

SEPHORA | CHALING

Nov 2022 – Mar 2023

Brand Marketing Intern

- **Product Launch:** Shaped a new fragrance launch around target customers, purchase drivers, and usage occasions; combined social content and livestreaming to generate RMB 253K+ in two months, ranking No. 1 in the category.
- **Influencer Marketing:** Evaluated 100+ KOLs/KOCs and managed seeding from product delivery to publishing, supporting RMB 150K+ in media spend and 500K+ impressions.
- **E-commerce:** Supported Tmall and JD.com livestreams across SKU planning, messaging, and execution, generating RMB 110K+ GMV in one session with 1,500+ peak viewers.
- **Business Analytics:** Built cross-channel monthly and quarterly reporting and automated the Excel workflow, reducing preparation time from one day to two hours.

Publicis Groupe | International Advertising Agency

Jul 2022 – Oct 2022

Account Executive, Integrated Campaigns

- **Integrated Campaign Execution:** Supported integrated Double 11 campaigns for Bobbi Brown and Aveda, translating brand briefs into campaign messaging, hero-product strategies, execution timelines, and content communication plans; coordinated content production, media placement, and post-campaign performance reviews.
- **Content & Seeding:** Synthesized product selling points, ingredients and benefits, and target-audience insights to support campaign content development; built and managed an 80+ image and video asset library, coordinated creative briefs, copy and video reviews, and supported content seeding across RED (Xiaohongshu) and Taobao Guangguang.

AI PROJECT

Agentic AI for Project Management & GTM | Multi-Agent Practice

2026

- **Scope Management:** Built and tested a Scope Agent using Microsoft Copilot, ChatGPT, and Gemini to support scope definition and automate recurring tasks.
- **Project Planning:** Used ChatGPT and Jira to build a 42-task WBS for an NTU Smart Locker Management System.
- **GTM Toolkit:** Built a one-click product launch toolkit generator with Opal, automating key GTM deliverables and standardizing the launch workflow.
